

## Peekaboo Slider with Wendy Lee

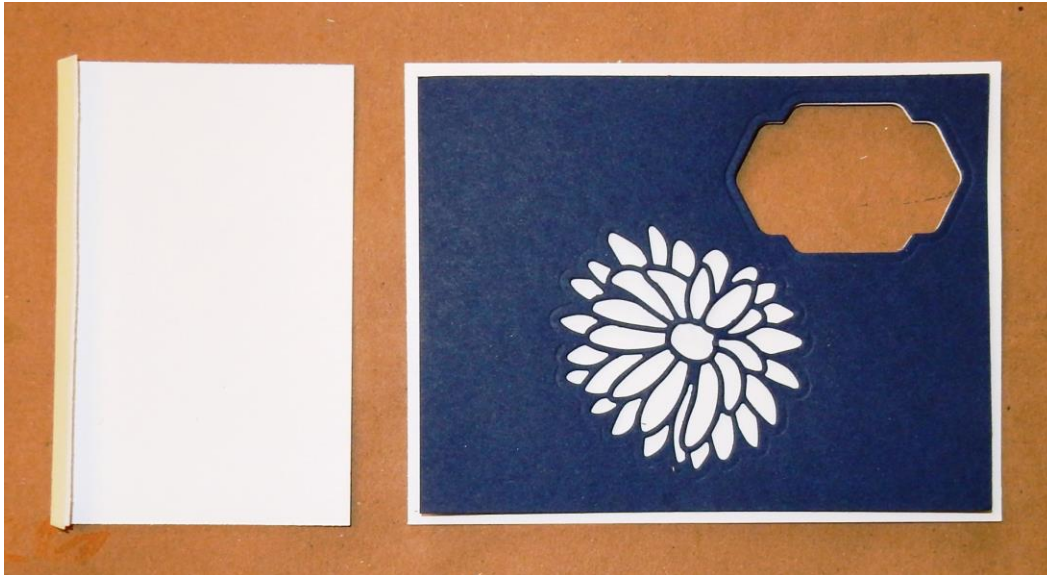

- Die cut the window in the following layers making sure the window opening aligns when the layers are stacked.
  - 4" x 5 ¼" Night of Navy
  - 4 ¼"x5 1/2" Whisper White
  - 4 ¼"x8 ½" Daffodil Delights (cut 2 windows that align when folded in half)
  - 4"x 4" Night of Navy
- Die cut the flower image in the 4" x 5 ¼" Night of Navy layer.

- Emboss and then adhere the 4"x4" Night of Navy layer to the right side of the 4 ¼"x8 ½" Daffodil Delight layer for the inside of the card.
- Adhere the 1/4" tab of the 4 ¼" x 5 ¾" Thick White cardstock to the back of the right side of the Daffodil Delight layer with tear & tape.

- Stamp the outside greeting in the window on the White cardstock.

- Adhear the 4" x 5 ¼" Night of Navy layer to the 4 ¼" x 5 ½" Whisper White layer with dimensional dots to create the front of the card.
- Adhear the 1/4" tab of the 4 ¼" x 3 Whisper White cardstock to the back of the left side of the Whisper White layer with tear & tape.
- Decorate the front of the Night of Navy layer.

- Fold the Daffodil Delight layer closed and adhere the front card panel with snail adhesive.

- Open the card, allowing the white layer to tuck between the inside and outside card layers.
- Stamp the inside greeting.
- To finish the card add a strip of tear & tape on the far right edge between the daffodil delight and Thick White cardstock layers to keep the back flap from opening up.
