Project Recipe:

1. Stamp image from the Balloon Celebration stamp set in Memento ink on 5-1/4" x 3" Pool Party cardstock.

2. Wrap 4-1/2" ribbon around layer, adhering ends to back with SNAIL adhesive.

3. Slide 9" ribbon under 4-1/2" ribbon and tie in a bow.

4. Stamp sentiment from the Balloon Celebration stamp set in Memento ink on scrap of Whisper White cardstock.
Punch out using the Classic Label punch.

5. Adhere sentiment to layer with mini dimensionals.

6. Using the Balloon Bouquet punch upside down, punch images out of a scrap piece of paper.
Place stamps inside the punched images with the flat side facing up.

7. Lay the block over the images to place them.
Now your images will be perfectly placed to quickly stamp and punch out your balloons.

8. Stamp balloon images from the Balloon Celebration stamp set repeatedly in Versamark ink on 2-3/4" x 8-1/2" Vellum cardstock and emboss in White Powder.

Tip: for best embossed images, be sure to rub the embossing buddy over the surface of your cardstock to remove all residue prior to stamping.

Punch images out with the Balloon Bouquet punch.

9. Adhere balloons to layer with glue dots, making sure the glue is behind the embossed portion of the images.

10. Fold 5-1/2" x 8-1/2" Thick White cardstock in half for card base.

Adhere 5-1/4" x 4" DSP to card front with dimensionals.

11. Adhere Pool Party layer to card front with dimensionals.

12. Apply enamel shapes to card front.

Hope you enjoy!
