## Project Recipe:

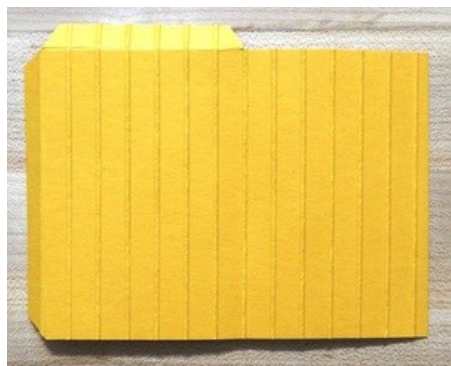

1. Score 4" x 5-1/4" Crushed Curry cardstock at 3/8" and 2-7/16".

Rotate and score 3/8".

Cut away tab from 2-7/16" score line to outer edge.

Angle ends of tabs to allow for easy folding.

2. Using the Big Shot and the Simple Stripes embossing folder, add texture.

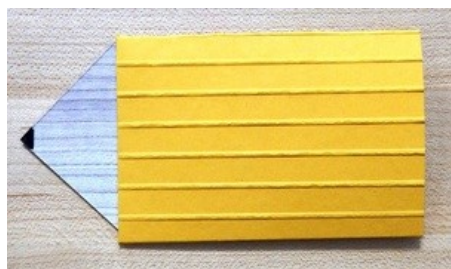

3. Using the Big Shot and the 4th smallest die in the Layering Squares framelit dies, die-cut DSP.

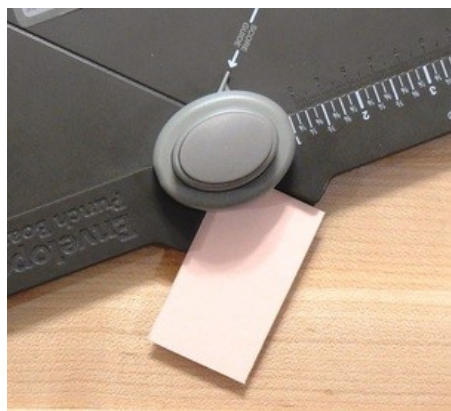

4. Adhere DSP to Crushed Curry card base with snail adhesive.

Color tip of square with marker. I recommend coloring on both sides of the paper.

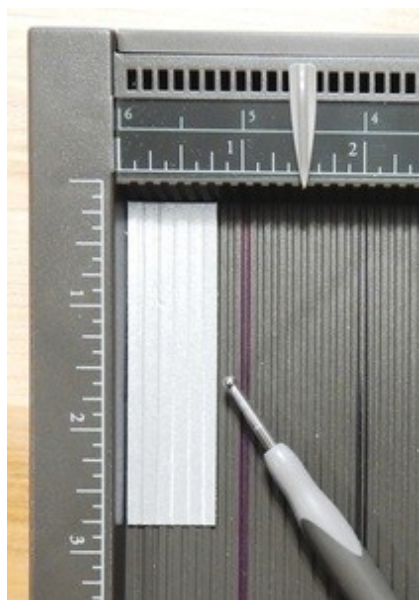

5. Apply Tear & tape to each of the tabs.

Remove backing paper and adhere closed to create a pouch.

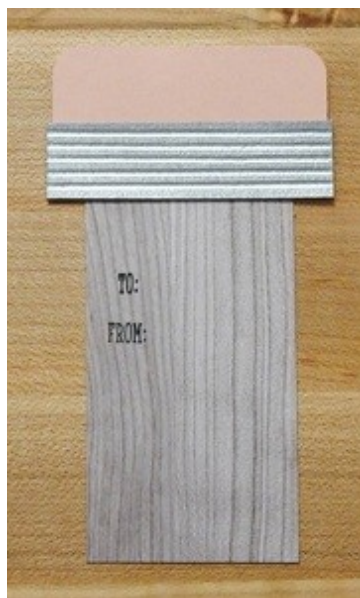

6. Using the Envelope Punch Board, round top corners of 2-5/8" x 1-1/2" Petal Pink cardstock.

7. Using the Simply Scored tool, score along the 2-3/4" x 3/4" Galvanized paper every 1/8".

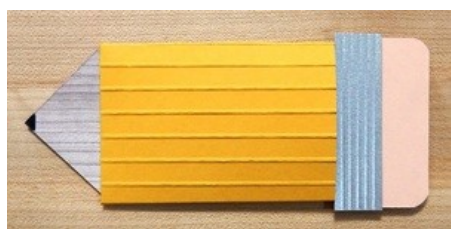

8. Adhere layers together with SNAIL adhesive.

9. Adhere 5" x 2-1/4" DSP to back of layers with SNAIL adhesive.

Stamp sentiment from A Little Wild stamp set in memento ink.

Adhere gift card to layer as desired.

10. Slide layer into pouch of card base.

Hope you enjoy!
