8. Punch corners of one end of layer with the Detailed Trip punch.

9. Punch corners of one end of 1" x 3" Pear Pizazz cardstock layer with the Detailed Trip punch.

10. Adhere Pear Pizazz behind punched end with just a small amount hanging out past the edge with liquid adhesive.

11. Assemble both designs:  
Apply Tear & Tape to back of post-it note stack.

12. Remove backing paper and adhere to center of back side of stamped Shimmery White layer.

Adhere magnet to inside bottom flap approx. 1" in from edge and centered left to right with glue dot or liquid adhesive. Note: if you use liquid adhesive you will need to let the adhesive set on each step, but it will hold better if you are using a stronger magnet.

13. Fold bottom flap up and drop 2nd magnetic. It will snap in place with the magnet on the other side.

Apply glue dot or liquid adhesive to magnet.

14. Close top flap to adhere magnet in place.

15. Using the 1-3/8" Scallop Circle punch, cut out scrap of Pear Pizazz cardstock.

16. Adhere to flap front with liquid adhesive.

17. Stamp sentiment from Happiness Surrounds stamp set in Gorgeous Grape ink on scrap of Shimmery White cardstock.

Cut out using 1-1/4" circle punch.

18. Adhere sentiment to front with dimensionals.
