- Stampin' Dimensionals [104430]

Project Recipe:

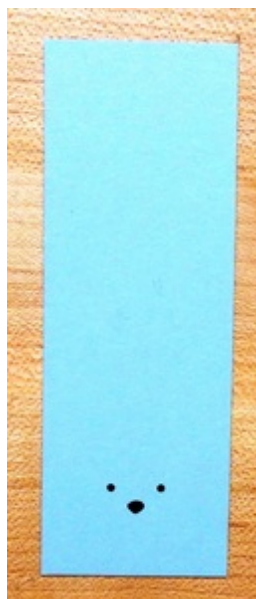

1. Fold 5-1/2" x 8-1/2" Thick Whisper White cardstock in half for card base.

Adhere 3" x 5-1/2" DSP to card front with SNAIL adhesive.

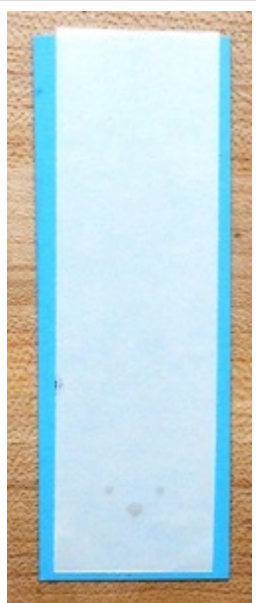

2. Stamp sentiment from Itty Bitty Greeting stamp set in Gorgeous Grape ink on card front.

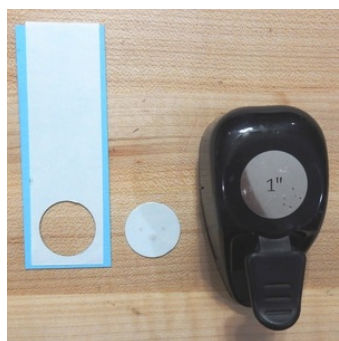

3. Stamp image from Foxy Friends stamp set in Memento ink on end of 1-1/2" x 4-1/4" Balmy Blue, Highland Heather and Daffodil Delight cardstock strips.

Tip: be sure to place image so you will be able to punch out with the 1" circle later.

4. Apply adhesive sheet (approx 1-1/4" x 4") to Balmy Blue, Highland Heather and Daffodil Delight cardstock strips, covering stamped image.

5. Cut out "face" with the 1" circle punch from each cardstock strip.

6. Using the Cookie Cutter Builder Punch, cut out "body" from each cardstock strip.

7. Using paper snips, cut away arms on each body.

8. Remove backing paper from each face and body and apply glitter over surface.

Tap off excess glitter.

To set glitter flip each piece over on a scrap of paper and run back. This will push the glitter down into the adhesive.

9. Using the 1-1/8" Scallop Circle punch, cut from scrap of Balmy Blue, Highland Heather and Daffodil Delight cardstock.

10. Adhere layers together with dimensionals.

Tip: be sure to push each layer together so the adhesive sticks to the rough glitter surface.

11. Here is what you 3 bunny peeps will look like when complete.

12. Adhere bunnies to 3-3/4" x 5" Vellum cardstock.

I used a dimensional on the head and a bit of SNAIL adhesive on the lower round section of the body.

13. Adhere Vellum to card front with SNAIL adhesive.

Tip: be sure adhesive is behind the bunnies so it will not show through the front of the card.

14. Ink sentiment from Part of My Story stamp set in Highland Heather ink.

Using the Gorgeous Grape marker, apply the darker color over the larger cursive words.

Stamp sentiment on card inside.

Hope you enjoy!
